

std::true_type

```
graph BT; A["gko::are_all_integral< Args >"] --> B["std::true_type"]
```

A diagram illustrating a relationship between two C++ type traits. At the bottom is a gray rectangular box containing the text `gko::are_all_integral` on the first line and `< Args >` on the second line. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box at the top. The white box contains the text `std::true_type`.

gko::are_all_integral
< Args >
